

ahh... in the
end I'm at their
mercy when
people ask
me to do some-
thing so

「家庭訪問兼集金」

home visiting and collecting money

is this
what they
call a
natural
weakling?

that's why
I'm always
bullied

I'm
sorry
for
being
born

ahh... I've
started to
become
like a
Japanese
teacher

or
actually

but I couldn't
collect even
one yen and
ended up paying
for it from my
own bank
account..

collecting
paid the bills
for going to
amusement
is impossible
for me

home visits
aren't that bad
but I'm not a
person who
can collect
money

once I was
sent to collect
the money
they needed

when I
used to
work for
bogus company
that sold bogus
stuff
